### Friends,

Welcome to the 26th Annual Kentucky Farm Bureau Beef Expo at the Kentucky Exposition Center. The Kentucky Department of Agriculture and Kentucky Farm Bureau are proud to sponsor the premier beef cattle event in the Commonwealth of Kentucky.

Kentucky is the leading beef cattle state east of the Mississippi River, and we have excellent quality to go with those strong numbers. This event provides an opportunity for cattle producers to showcase their herds and for buyers to have a chance to purchase the best genetics in the business. As a cattle producer myself, I fully understand the importance of a strong genetic base in a successful cattle herd. With 12 breeds and the pen heifer show and sale, the Kentucky Farm Bureau Beef Expo has something for everyone. Not only are these animals a great way to improve a herd, they also represent an opportunity for our young exhibitors to select project animals for the 2012 KDA show circuit.

In addition to the breed shows and sales, we anticipate a great turnout for the judging contest. This program has grown into one of the premier judging contests in the country. Junior exhibitors also will have an opportunity to participate in the junior show on Sunday. Junior exhibitors from throughout the Midwest will compete with some of the best show stock in the country.

I am excited to be your Commissioner of Agriculture and to be involved with this great program. I can assure you the staff at the Kentucky Department of Agriculture will be working hard to make this Kentucky Farm Bureau Beef Expo a great one.

Sincerely,

James R. Comer, Commissioner  
Kentucky Department of Agriculture

Welcome to the 2012 Kentucky Farm Bureau Beef Expo and Shorthorn Show and Sale. We are very proud to serve as the corporate sponsor of the expo.

With over 500,000 members, Kentucky Farm Bureau is actively involved in ensuring that Kentucky agriculture remains a strong and vital element of our Commonwealth's economy.

Beef cattle are an integral part of Kentucky agriculture. We applaud the efforts of those who work so diligently to improve an industry already known for its excellence, through events such as the 2012 Kentucky Farm Bureau Beef Expo.

Considering the ever-increasing consumer demand for high-quality and safe food, efforts to improve Kentucky's beef cattle industry are now more important than ever. The Expo offers you the latest industry news and information, along with the opportunity to obtain some of the best breeding stock in the United States.

Again, we welcome you to the 2012 Kentucky Farm Bureau Beef Expo, and hope the many valuable resources available here will benefit both you and your cattle operation.

Sincerely,

Mark Haney, president

SL Iris is a deep bodied, stout package with an excellent disposition. She goes back to one of our best cows, Iris 204, a Trump X Rodeo Drive cow. A true standout and a perfect brood cow. With a shot of Jake's Proud Jazz, that cow family has produced an awesome show calf that can back it up as a cow.

This heifer's grandmother never misses. She is one good cow. Her daughter, 932, is a daughter by a Sonny X Legend son and this is her first calf. Poinsetta 120 is by our Durango calving ease sire that is out of a Canadian dam. Simply good cattle on both sides of this pedigree and you will see the result in this heifer. This is the first Poinsetta I have shared and I am proud to offer this one.
